August 10, 2018 at 6:38 PM EDT

BALTIMORE, Aug. 10, 2018 (GLOBE NEWSWIRE) -- WillScot Corporation (Nasdaq: WSC) ("WillScot"), a specialty rental services market leader providing innovative modular space and portable storage solutions across North America, today announced that the underwriters of its recent offering of 8,000,000 shares of its Class A common stock, par value \$0.0001 per share ("Common Stock"), have exercised their option to purchase an additional 1,200,000 shares of Common Stock on the same terms as the initial offering.

WillScot received approximately \$19.2 million of gross proceeds from the underwriter's exercise of their option to purchase additional shares. WillScot expects to use the net offering proceeds to fund, in part, the purchase price of its pending acquisition of Modular Space Corporation (d/b/a "ModSpace"). If the ModSpace acquisition does not close, WillScot intends to use the net proceeds for general corporate purposes.

Barclays, Deutsche Bank Securities, Morgan Stanley, BofA Merrill Lynch, Credit Suisse and ING were the joint book-running managers for the offering. The offering was made pursuant to an effective shelf registration statement, as amended, including a base prospectus, that was filed with the Securities and Exchange Commission (the "SEC") and declared effective on April 3, 2018 and is available on the SEC website. A prospectus supplement and the accompanying base prospectus related to the stock offering were filed with the SEC on July 27, 2018 and are available on the SEC website.
