(b) Identification of Executive Officers.

Officers are elected annually by our board of directors and serve at the discretion of the board. Information regarding our current executive officers who are not also directors or director nominees of Mobile Mini was provided under "Executive Officers of Mobile Mini, Inc." in Part I of our annual report on Form 10-K.

(c) Involvement in Certain Legal Proceedings.

To the best of our knowledge, none of our current directors or executive officers has been involved during the past five years in any legal proceedings required to be disclosed pursuant to Item 401(f) of Regulation S-K.

(d) Audit Committee and Audit Committee Financial Expert.

Our board of directors has a separately-designated, standing Audit Committee. Current members of the Audit Committee are Ronald J. Marusiak, Stephen A McConnell and Michael L. Watts, each of whom qualifies as "independent" under the Nasdaq rules, as well as the special standards established by the Securities and Exchange Commission (SEC), for members of audit committees. Our board has determined that Stephen A McConnell is the independent director who meets the qualifications of an "audit committee financial expert" in accordance with SEC rules.

(e) Code of Conduct and Ethics.

We have a Code of Business Conduct and Ethics (including Supplemental Code of Ethics for the Chief Executive Officer and Senior Financial Officers) ("Code") that applies to all of our employees, including our principal executive officer and principal financial and accounting officer. This code is posted on our Internet web site (www.mobilemini.com) under the "Corporate Governance" section of the "Investor Relations" page. Material on our Internet site is not incorporated by reference into this Report or into any other reports or other material that we file with the SEC, except to the extent specifically stated as being incorporated therein.

We will provide a copy of the Code upon request made by writing to us at Mobile Mini's address provided elsewhere in our annual report on Form 10-K. We intend to satisfy the disclosure requirement under Item 10 of the Form 8-K regarding an amendment to, or waiver from, a provision of this Code by posting such information on our web site, at the address and location specified above, and to the extent required, by filing a Current Report on Form 8-K with SEC disclosing such information.

(f) Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers to file reports of holdings and transactions in Mobile Mini shares with the Securities and Exchange Commission. Based on a review of reports filed by our directors, executive officers and beneficial holders of ten percent (10%) or more of our shares, and based upon representations from those persons, all stock ownership reports required to be filed by those reporting persons during 2003 were timely made, except as follows: each of Ms. Clawson, Messrs. Graunke, Marusiak, McConnell and Watts received an annual automatic grant of options to

Mr. Clawson is the husband of Carolyn A. Clawson who is deemed to have beneficial ownership with respect to the underlying shares of Mr. Clawson's option grant. The corresponding Form 4 for each of the persons identified above has since been filed.

Stock Options

The following table lists our grants during 2003 of stock options to the officers named in the Summary Compensation Table. The amounts shown as potential realizable values rely on arbitrarily assumed rates of share price appreciation prescribed by the SEC. In assessing those values, please note that the ultimate value of the options, as well as those shares, depends on actual future share values. Market conditions and the efforts of our directors, officers and others to foster Mobile Mini's future success can influence those future share values.

Option Exercises and Year-End Values

The following table sets forth certain information regarding the exercise and values of options held by the officers named in the Summary Compensation Table, as of December 31, 2003. The table contains values for “in the money” options, meaning a positive spread between the year-end share price of \$19.72 and the exercise price. These values have not been, and may never be, realized. The options might never be exercised, and the value, if any, will depend on the share price on the exercise date.

- (1) All the exercisable options were exercisable at a price less than the last reported sale price of our common stock \$19.72 on the Nasdaq Stock Market on December 31, 2003.

Employment Agreements

In September 1999, Mobile Mini entered into employment agreements with Steven G. Bunger and Lawrence Trachtenberg. Each agreement has a three year term, and the term automatically renews for additional one year periods unless either we or the employee gives notice of non-renewal. In 2003, Mr. Bunger’s base salary under his employment agreement was \$308,200 and Mr. Trachtenberg’s was \$220,500. The base salaries may be increased or decreased by the board of directors, but decreases are limited to 15% of the then-current base salary, unless greater decreases are in effect for other Key Executives, as defined in the employment agreements. Each employee is eligible to participate in Mobile Mini’s incentive bonus programs, which are administered by the Compensation Committee of the board of directors.

Each employment agreement provides that Mobile Mini will make specified payments to the employee if either the employee’s employment is terminated involuntarily as determined under the agreement, for any reason other than cause (as defined in the employment agreement), or if there is a change of control (as defined in the employment agreement) of Mobile Mini. In the event of any such involuntary termination, the employee would be entitled under the employment agreement to receive a termination payment equal to three times his base salary for the twelve month period preceding the date of termination, and Mobile Mini would have the right to pay that amount over an 18 month period. If within six months after a change in control either the employee is terminated or elects for any reason to terminate his employment, the employee would be entitled to be paid an amount equal to four times the greater of his annual base salary in effect the day before the change of control occurred and his annual base salary during the last twelve months preceding the change of control. This amount would be payable in a lump sum, unless Mobile Mini provided a letter of credit to the employee, in which event the amount could be paid over a period of up to 18 months. Any payment upon termination, however, will be limited to an amount which is less than the “parachute payment” threshold under section 280G of the Internal Revenue Code (currently, \$1,000,000).

Each employment agreement contains provisions restricting the employee’s disclosure and use of Mobile Mini confidential information, and providing that the employee will not compete with Mobile Mini during the 18 months following the termination of employment in connection with a change of control and during the three years following termination under any other circumstances.

Although we have not entered into any long-term employment contracts with any of our other key employees, we have entered into numerous agreements with key employees which are terminable at will, with or without cause, including agreements with Deborah K. Keeley. Each agreement contains a covenant not to compete for a period of six months to two years after termination of employment and a covenant not to disclose confidential information of a proprietary nature to third parties.

[Table of Contents](#)

We had numerous bonus and incentive arrangements with several employees during 2003, including Steven G. Bunger, Lawrence Trachtenberg, and Deborah K. Keeley. These agreements included an incentive program to provide financial awards for increases in profitability and based upon a subjective evaluation of performance. Compensation arrangements with Steven G. Bunger and Lawrence Trachtenberg are administered by the Compensation Committee of the board of directors.

(b) Compensation of Our Directors.

Directors who are also officers do not receive any separate compensation for serving as directors. Non-employee directors receive an annual payment of \$15,000 plus \$500 for each board or separate committee meeting attended, whether in person or by telephone. In addition, non-employee directors are reimbursed for any expenses related to their service as directors. Non-employee directors also receive options to purchase 7,500 shares of our common stock on August 1st of each year during their term of service. The exercise price of the options is the fair market value of our common stock on the date of grant.

(c) Compensation Committee Interlocks and Insider Participation.

The current members of the Compensation Committee are Ronald J. Marusiak, Stephen A McConnell and Thomas R. Graunke. None of these directors is, or has been, an executive officer or otherwise an employee of Mobile Mini before or during such service, and no executive officer of Mobile Mini served on any other company's compensation committee.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT.

(a) Equity Compensation Plan Information

We maintain the 1994 Stock Option Plan (the "1994 Plan") and the 1999 Stock Option Plan (the "1999 Plan") pursuant to which we may grant equity awards to eligible persons. The 1994 Plan expired in 2003 and no additional options may be granted thereunder. The following table summarizes our equity compensation plan information as of December 31, 2003. Information is included for both equity compensation plans approved by Mobile Mini's shareholders and equity plans not approved by our shareholders.

<u>Plan category</u>	<u>Common shares to be issued upon exercise of outstanding options, warrants and rights (a)</u>	<u>Weighted-average exercise price of outstanding options, warrants and rights (b)</u>	<u>Common shares remaining available for future issuance under equity compensation plans (excluding shares reflected in column (a)) (c)</u>
Equity compensation plans approved by Mobile Mini shareholders (1)	1,888,640	\$19.98	738,671
Equity compensation plans not approved by Mobile Mini shareholders	-0-	\$ 0	-0-
Totals	1,888,640	\$19.98	738,671

(1) Of these shares, options to purchase 463,870 shares were outstanding under the 1994 Plan, and options to purchase 1,424,770 shares were outstanding under the 1999 Plan. On April 23, 2004, the closing price of our common stock as reported by the Nasdaq National Market was \$20.30.

(b) Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information as of April 9, 2004 with respect to the beneficial ownership of shares of our common stock by: (1) each person we know to be the beneficial owner of 5% or more of the outstanding shares of common stock; (2) each of our directors, director nominees and named officers; and (3) all of our executive officers and directors as a group.

Beneficial ownership is determined in accordance with Rule 13d-3 under the Securities and Exchange Act of 1934, as amended, and generally includes voting or investment power over securities. Under this rule, a person is deemed to be the beneficial owner of securities that can be acquired by such person within 60 days of April 9, 2004 upon the exercise of options. Each beneficial owner's percentage ownership is determined by assuming that all options held by such person that are exercisable within 60 days of April 9, 2004 have been exercised. Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each stockholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the stockholder.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

When we were a private company prior to 1994, we leased some of our properties from entities controlled by our founder, Richard E. Bunger, and his family members. These related party leases remain in effect. We lease a portion of the property comprising our Phoenix location and the property comprising our Tucson location from entities owned by Steven G. Bunger and his siblings (including Carolyn A. Clawson, a member of our Board of Directors). Steven G. Bunger is our President and Chief Executive Officer and has served as our Chairman of the Board since February 2001. Annual base lease payments under these leases total approximately \$66,000, with annual adjustment based on the Consumer Price Index. Payments in 2003 for these leases were approximately \$83,000. The term of each of these leases expires on December 31, 2008. Mobile Mini leases its Rialto, California facility from Mobile Mini Systems, Inc., a corporation wholly owned by Barbara M. Bunger, for total annual base lease payments of \$204,000, with annual adjustment based on the Consumer Price Index. Barbara M. Bunger is the mother of Steven G. Bunger and Carolyn A. Clawson. Payments in 2003 under this lease were approximately \$252,000. The Rialto lease expires on December 31, 2016. Management believes that the rental rates reflect the fair market rental value of these properties.

Mobile Mini obtains services throughout the year from Skilquest, Inc., a company engaged in sales and management support programs, including the monitoring of our sales personnel. Skilquest, Inc. is owned by Carolyn A. Clawson, a member of our Board of Directors. Mobile Mini made aggregate payments of approximately \$263,000 and \$334,000 to Skilquest, Inc. in 2002 and 2003,

respectively, which management believes represented the fair market value for the services performed. The increase in the amount we paid Skilquest was primarily due to increased market analysis which we engaged Skilquest to perform in the new markets we entered in 2002 and an increase in 2003 in the average number of sales personnel being evaluated.

In February 2001, Mobile Mini and its former chairman of the Board, Richard E. Bunger, entered into an employment agreement pursuant to which Mr. Bunger provides services to Mobile Mini during the term of the agreement, which is scheduled to end on June 30, 2005. Under the agreement, we paid Mr. Bunger \$180,000 in 2002 and \$112,000 in 2003, and will pay Mr. Bunger approximately \$1,000 per month during 2004 through June 30, 2005. Through February 2004, Mobile Mini also provided office space and an administrative assistant to Mr. Bunger. The agreement also provides that Mr. Bunger is bound by an agreement pertaining to confidentiality of Mobile Mini's confidential information, and a non-competition agreement.

It is Mobile Mini's intention not to enter into any additional related party transactions other than extension of lease agreements and renewal of the relationship with Skilquest, in each case on terms no less favorable to Mobile Mini than are available from unrelated parties. During 2003, the Board of Directors reviewed the terms of each of the transactions described above, and the Board concurred with management's judgment that each transaction is on terms no less favorable to Mobile Mini than may reasonably be expected in an arm's-length transaction with unrelated parties.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES.

In 2002, the board of directors determined, in consultation with and upon the recommendation of its Audit Committee, to dismiss Arthur Andersen LLP as independent auditors, and to engage the services of Ernst & Young LLP as our independent auditors. The change in auditors became effective June 10, 2002. The audit report of Arthur Andersen on our consolidated financial statements as of and for the fiscal years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During Mobile Mini's fiscal years ended December 31, 2001 and 2000, and through June 10, 2002, there were no disagreements between Mobile Mini and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreement in connection with its reports on Mobile Mini's consolidated financial statements for such years.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred during Mobile Mini's two most recent fiscal years ended December 31, 2001, or thereafter through June 10, 2002. Mobile Mini requested Arthur Andersen to furnish it with a letter addressed to the SEC stating whether it agrees with the above statements made by Mobile Mini. A copy of such letter, dated June 13, 2002, was filed as Exhibit 16.1 to our current report on Form 8-K, dated June 14, 2002.

During Mobile Mini's two most recent fiscal years ended December 31, 2001, and through June 10, 2002, Mobile Mini did not consult Ernst & Young with respect to any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

Fees Paid to Ernst & Young

As more fully described in the Audit Committee charter, all services to be provided by Ernst & Young are pre-approved by the Audit Committee, including audit services, audit-related services, tax services and certain other services. A more detailed description of the Audit Committee's pre-approval policy is set forth in the Audit Committee charter, which is attached as Appendix A to our proxy statement of the 2004 annual meeting of stockholders.

The following table shows the fees that Mobile Mini paid or accrued for the audit and other services provided by Ernst & Young for fiscal years 2003 and 2002.

	<u>2003</u>	<u>2002</u>
Audit fees	\$232,500	\$205,000
Audit-related fees	-0-	-0-
Tax fees	72,200	-0-
All other fees	155,000	14,000
Total	<u>\$459,700</u>	<u>\$219,000</u>

Table of Contents

Audit fees. This category includes the audit of our annual financial statements, review of financial statements included in our Form 10-Q quarterly reports, and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years.

Tax fees. This category consists of professional services rendered by Ernst & Young, primarily in connection with our tax compliance activities, including technical and tax advice related to the preparation of tax returns.

All other fees. This category consists of fees of approximately \$153,000 in connection with Mobile Mini's offering during June 2003 of 9.5% senior notes due 2013, and for other miscellaneous items.

The Audit Committee has considered whether the provision by Ernst & Young LLP of the non-audit services described above is compatible with maintaining the independence of Ernst & Young LLP. The Audit Committee believes that such non-audit services provided by Ernst & Young LLP are compatible with maintaining Ernst & Young LLP's independence.
